

SimulationStatus::success

```
graph LR; A[Gui_sim::runSim] --> B[SimulationStatus::success];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The box on the left is shaded gray and contains the text 'SimulationStatus::success'. The box on the right is white and contains the text 'Gui_sim::runSim'. A dark blue arrow points from the right side of the white box to the left side of the gray box, indicating a return value or assignment.

Gui_sim::runSim
